

# Make Your Agency Compliant with PREA

NCTI can help your agency  
prepare for compliance with new DOJ standards

## Facilitator Certification Training for delivering NCTI's PREA Workshop

# Register for PREA Certification Training – where you'll learn to deliver PREA Workshops

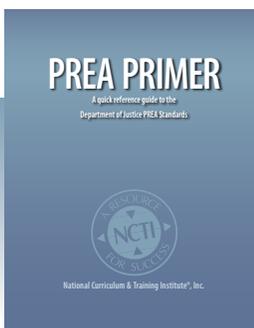

The standards adopted by the Department of Justice (DOJ) relating to the Prison Rape Elimination Act (PREA) will require criminal justice agencies to provide extensive training to staff, volunteers, and auxiliary personnel for all criminal justice agencies housing juveniles and adult offenders, including adult and juvenile probation residential facilities, parole and community corrections facilities, lockups, jails, and prisons. Additionally, the new standards will require agencies to adopt policies regarding zero tolerance, incident investigations, appropriate screening, and more.

NCTI's PREA Facilitator Certification Training addresses the staff training standards adopted by the Department of Justice, and provides agencies with prevention and identification strategies to reduce incidences of staff sexual misconduct.

This certification training is a fast-paced, interactive course that teaches criminal justice professionals how to effectively facilitate one of NCTI's 8-hour curricula. The training uses reality-based scenarios, activities, role plays, and group interaction to provide the necessary tools to effectively recognize and substantially reduce staff and offender victimization. This training addresses the importance of individual learning styles and behavior. Practice sessions allow participants to become familiar with the NCTI curriculum.

## Agency and Staff Benefits:

- Awareness and prevention of sexual misconduct against offenders
- Reduction of agency and staff liability
- Reduction in negligence by providing training accredited by the American Probation and Parole Association in the area of PREA
- Compliance with the Department of Justice (DOJ) training standards
- Address failure to train issues
- Identification of policy and procedure changes necessary for compliance

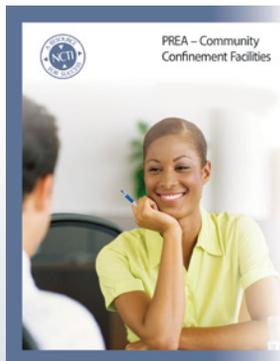

All facilitators receive a PREA Primer, a quick reference guide to the Department of Justice PREA Standards.
